

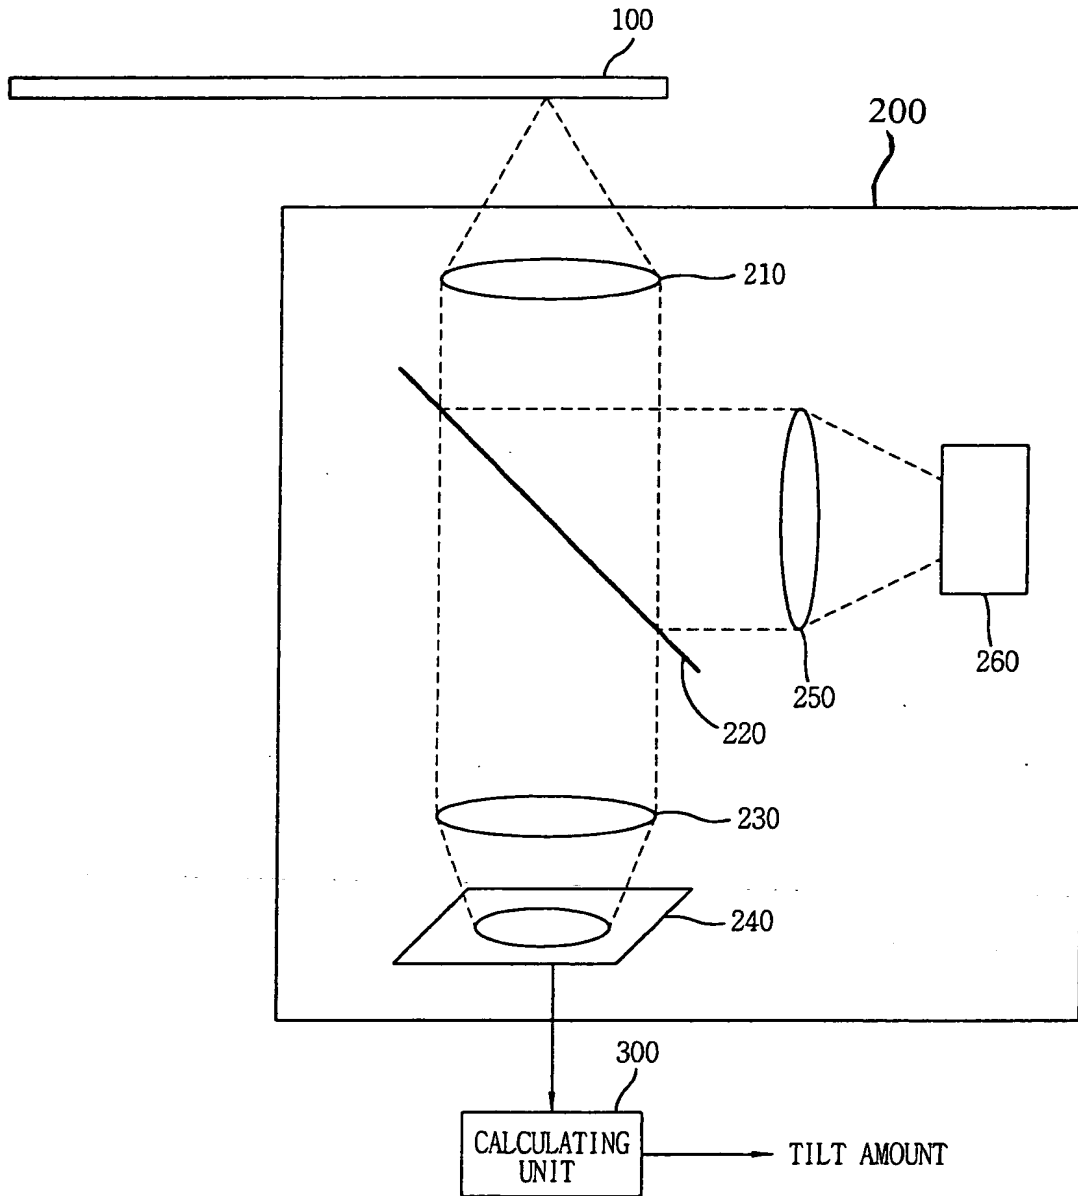

FIG. 1
CONVENTIONAL ART

A diagram showing a 2x2 grid of squares. The top-left square is labeled A1, the top-right B1, the bottom-left D1, and the bottom-right C1. Diagonal lines cross each square, with labels A2 in the top-right triangle of the top-left square, B2 in the top-left triangle of the top-right square, D2 in the bottom-left triangle of the bottom-left square, and C2 in the bottom-right triangle of the bottom-right square. Brackets indicate dimensions: a vertical bracket on the left is labeled 1, a horizontal bracket on the top is labeled 3, and a horizontal bracket on the bottom is labeled 3. A handwritten number 440 is at the top left, with a line pointing to the top-left corner of the grid.
